

CERTIFICATE OF ANALYSIS

Product:	Luxury gold Argan Oil Hydrating Styling Cream		
Basis For Test	QB/T 1798~2004		
Quantity:	1400KGS		
Testing Date:	2026/4/10		
Manufacturing Date:	2026/4/10		
Expiration Date:	2030/4/9		
Testing	Specifications	Results	Method
Appearance	Cream	Cream	See
Colour	SEMI TRANSPARENT	WHITE	See
Odor	Mixed	Mixed	Smell
PH	2.5—7.0	Qualified	PH Meter
Thermostability	Remain 40 ±1 degrees of the temperature after 6 hours, once return to room temperature, didn't produce oil-water separation phenomenon	conform standard	Constant temperature incubator
Cold resistance	Remain -5—-10° C after 24 hours, once return to room temperature, didn't produce oil-water separation phenomenon	conform standard	Refrigerator
Total Plate Count	< 1000	Qualified	Incubator
Heavy Metals	Pb < 20 ppm	Pb < 20 ppm	St. Test GB7917.3
Total Molds	< 100	Qualified	Incubator
Fecal Coliform	No	No	Water-Jacket Thermostatic Constant Incubator
Pseudomonas Pyocyanes	No	No	Culture medium
Staphylococcus Aureus	No	No	Constant temperature incubator
Store Conditions	1.Store in a cool, dry, well ventilated place. 2.Avoid extreme heat(under 30°C) and ignition sources. 3.Store away from oxidizers. 4.Store below 86°F/30°C.	1.Store in a cool, dry, well ventilated place. 2.Avoid extreme heat(under 30°C) and ignition sources. 3.Store away from oxidizers. 4.Store below 86°F/30°C.
